New International Spiritual Director

We welcome the Reverend Dr. Víctor Pérez as the new International Spiritual Director for The Walk to Emmaus and for Chrysalis, effective February 1, 2004. He comes to the position with a rich and diverse background. After 16 years in the banking industry and active participation in the United Methodist Church, Víctor answered God's call to ordained ministry. After graduation from seminary he was an effective pastor in his native country of Puerto Rico. In 1987 he was invited to serve on The General Board of Discipleship in administration and leadership development. Víctor returned to Puerto Rico in 1999 as vice president of the Seminario Evangelico. During that time, he was active in both Emmaus and Chrysalis, serving as Spiritual Director for both Emmaus and Chrysalis communities in Puerto Rico. Víctor has broad international experience and he has a passion for spiritual formation and leadership development. Please hold Víctor in your prayers as he begins his work with Emmaus and Chrysalis Community Spiritual Directors.

Sponsorship -- The First Act of Agape

The Upper Room Handbook on Emmaus lists three aspects of good sponsorship:

1. It is “the first act of agape” before a Walk ever begins.
2. It undergirds the whole weekend “with sacrificial love on behalf of each Pilgrim.”
3. It is the foundation for a healthy, effective Emmaus Movement, which results in the renewal of the church.

Thus, sponsorship offers an opportunity for spiritual revitalization to individual Christians who then serve as vessels of renewal in their home, congregation, workplace, community, and the world. Wise sponsorship builds up the body of Christ.

Sponsorship is the act of re-experiencing The Walk to Emmaus with the person whom God has laid on your heart. Sponsorship is one of the most important aspects of The Walk to Emmaus. Do not take its responsibilities lightly or carry them out casually or haphazardly. Sponsorship requires extensive prayer, diligent thought, and careful planning before the Walk and follow-through afterwards.

Remember this focus as you consider sponsorship. Viewing The Walk to Emmaus as a hospital to cure psychological, social and even spiritual ills will weaken the community. Emmaus is for active Christians and members of churches whose own renewal will mean new energy, commitment, and vision in the church and everyday environments for Christ's sake.

Emmaus is designed to give pilgrims the skills needed for leadership and invites them to make the commitment needed to build up the church for the sake of Jesus Christ. Its purposes are to deepen the faith of individuals, to increase the faith of congregations, and to bring Christianity to the World.

Consider these three principles:

Prayer

Praying is the first step in sponsorship. When we

start praying, we commit the process to God. We release to God our control, our desires, and our expectations. As we spend this time in prayer, we need to empty ourselves of self to be filled with God's instruction, God's timing, and God's person for us to sponsor.

Openness to God

Our openness to God enables us to become God's instruments in furthering divine will through The Walk to Emmaus. Being open to God includes having our eyes open to see God at work. Being open to God means we listen. Time and time again, the scriptures admonish us to listen to God and God's instructions. Our openness to God allows us to receive God's instruction - even when the instruction does not conform to our expectations. Our openness to God sensitizes us as to how God wants to renew and revitalize the church using all the aspects (sponsorship included) of the Emmaus experience.

Calling by Name

Another aspect of sponsorship is calling individuals by name. God called people by name - Noah, Abram (Abraham), Samuel, Moses, and others. Jesus also called individuals, and he called each person by name. In the Gospels we read of Jesus' calling the twelve disciples by name. Nowhere in the Gospels do we read of Jesus issuing a general call for volunteers.

As sponsors, we need to follow the scriptural principles of praying, being open to God, and then calling people by name to attend The Walk to Emmaus. Remember, The Walk to Emmaus is not for everyone. Be certain that the individual you invite is right for Emmaus and that Emmaus is right for that individual.

Are you ready to be a praying, discerning, committed sponsor? The fall Walks will be here before you know it!
