Worship 7:15 PM

Come and fellowship and worship with us as we commission our Men's and Women's teams for our upcoming walks.

From the Community Lay Director....

Spring is in the air...and that means that the Walks are right around the corner! These Walks are truly a team effort. I am reminded of the passages in Exodus 17:8-13 where Moses had to continue to lift the rod in the air in order for the Israelites to win in the battle against the Amalekites. In order to win the battle, Moses had to be seated on a firm foundation, or “the rock”. He also had to have Aaron on one side and Hur on the other supporting his arms; otherwise his arms got tired and Joshua and the Israelites would start losing the battle. Our Lay Directors for these walks are seated on the firm foundation of Jesus Christ. They have terrific team members willing to fight like Joshua on the battlefield. They just need one more thing to make these walks successful...they need arm support. They need community support. Please sign up to bring snack agape, make some agape, sign the prayer chart and attend the community events. I look forward to seeing you there!

Men's Walk 137

Women's Walk 138

It takes a village to make it happen!!!!

You are the Village!!!!

We have 21 Men and 27 Women Registered for the upcoming Walks. Let me ask you to visualize when you attended your walk as a pilgrim. What do you remember? Many speak of the "throng" of angels at candlelight. Others speak to the endless table of snacks. Some speak of friendly strangers serving meals, or some remember leaving a table full of little gifts to find gifts on their pillow. In other words, many of these crucial experiences happened because of all those special things that anonymous community members did in the background. This is the definition of servant leadership. Join the "throng"!! Here are some ways you can support BOTH walks in the next week.

- Make agape - all those fun little gifts.
- Buy some snacks or drinks
- Get some travel size toiletries - the community's supply had to be culled due to age.
- Bring the above to the Gathering at Richmond First next week. As we commission the teams, lay your hands on them to remind them they supported by the entire community.
- Sign up for the prayer vigil at the gathering. If you can't make it contact [Lonnie Watts](#) for the men and [Mary Lou Hardie](#) for the women.
- If you need to make alternate arrangements to deliver table or snack agape for either walk, contact [Teresa Walker](#)
